How It Works

1. Send Us Your Event Details

Tell us your event date, time, location, number of guests, preferred duration and the type of entertainment you're looking for.

2. View Your Available Options

We'll send you photos of suitable available entertainers and help you choose the best option for your event.

3. Confirm Your Booking

Once you've selected your entertainer(s), we'll provide your quote. Pay the required deposit to secure them, and we'll send you written confirmation containing all booking details.

Important Booking Rules

To keep every booking safe and enjoyable, you and your guests must follow these rules:

- No photography or recording without the entertainer's clear consent.
- All guests must be 18 years or older.
- No touching unless approved by the entertainer during a paid lap dance. No kissing or intimate touching.
- Disrespectful, aggressive, sexually inappropriate or intoxicated behaviour will not be tolerated.
- Provide a clean, safe and private area for changing and storing belongings.
- The remaining payment must be paid in cash upon arrival before the service begins.
- Tell us before booking if both male and female guests will be attending.
- Keep your phone nearby and allow calls from private numbers.

If any rule is broken or an entertainer feels unsafe or uncomfortable, they may leave immediately without a refund.
